2 ENCLOSURES.

11th December, 1923.

VALPARAISO.

pro

A.M.P.40.) Classed 12 A- for harbour purposes, carrying petroleum  
A.M.P.41.) in portable tank. 9 & 12 years. C.F. Y.M.3-22.

I have to request you will be good enough to forward for reference in this Office a profile and deck plan for each of these vessels.

I enclose copies of Gls. reports Nos. 41073 & 41079 of donkey boilers for these vessels and shall be glad if you will fill in the remaining particulars and state whether the boilers have been satisfactorily fitted on board and the safety valves adjusted under steam.

The classification certificates are enclosed herewith for issue when the fees due have been paid of which fact you should advise me in due course.

I confirm my cablegram sent you to-day as follows:-

"EBYRM (referring to your letter of) WEADT (15th October) TWO BARGES
