F. SMITH Esq.  
Lloyds Surveyor.  
CITY.

Dear Sir,

We have pleasure in detailing below, the anchors and  
cables sent out by our London Office for use in anchoring our two  
Barges A.M.P. 40 & 41, for Antofagasta & Iquique respectively.

<u>40</u>	40 fathoms	$\frac{3}{4}$ "	stud link chain suitable for gypsy, with shackles.
120	"	1"	short link chain, complete with shackles
18	"		short link chain complete with shackles.
1	$2\frac{1}{2}$ cwt		anchor & stock
1	5 "	"	"
<u>41</u>	40 fathoms	$\frac{3}{4}$ "	stud link chain suitable for gypsy, with shackles.
120	"	1"	short link chain, complete with shackles
18	"		short link chain complete with shackles.
1	$2\frac{1}{2}$ cwt		anchor & stock
1	5 "	"	"

We regret being unable to hand you Lloyds Inspection  
Certificates for above, as these are in possession of our London  
Office.

Yours faithfully,

ANGLO MEXICAN PETROLEUM CO. LTD.
