WOODEN LIGHTERS 32' 6" x 22' x 9' 6".

Act of reception of a wooden lighter built by Don Aquiles Shipbuilder at Constitucion, Chile, for the Anglo Mexican Steamship Company, Calle Prat 77, Valparaiso.

In conformity with the Contract and Specification - Page 7, the lighter will be effected at the River Maule, Constitucion.

I the undersigned as Inspector of the Company received the lighter in the name of the Company, it being in accordance with the Contract and Specification, with exception of some slight details which are specified in the letter attached to this Act, and which the contractor engages to carry out for his own account.
