Dear Sirs,

I beg to acknowledge the receipt of your letter of the 24th instant respecting the ferro-concrete tug "CRETEBLOCK" and in reply I have to say that provided the Annual Survey be held and the screwshaft be drawn in for examination at the present time, the Committee will be agreeable to your proposal to postpone the Special Survey No.1 until the end of December, 1924.

I may say I am advising the Society's Surveyors at Newcastle accordingly.

I am, Dear Sirs,

Yours faithfully,

C. J. H. W.

Assistant to the Secretary.
