Operating Great Britain & Ireland (Except West Coast - both to Antland Firth) and  
 Continent from Brest to Hamburg: Also Baltic Ports, April to October - Subject to Annual  
 Survey - Experimental.

Survey due

Annual Survey due May, 1923.

Special Survey No. 1 will become due June, 1924.

Screwshaft Survey due September, 1923.

In September last the Committee agreed to the Annual survey of this vessel being postponed for a time in view of the owners' intimation that she was laid up and that the requisite inspection would take place before she was again placed in commission.

The Owners now write that they propose putting the vessel into commission and if the Committee concur in the No. 1 Survey being postponed until the end of 1924, it is proposed to block the vessel and open her out for Annual inspection. Should, however, the postponement of the No. 1 Survey not be approved by

the Committee, the Owners state they will consider the question of putting the vessel through her No. 1 Survey, in which case they presume time would count from June, 1924.

Submitted the S. No. 1  
might be postponed  
until the end of 1924  
as desired provided the  
Annual Survey be  
held now, and the Survey  
Shall be drawn in and examined
