24th November, 1920.

Dear Sirs,

A. With reference to your first entry report No. 341 on the Boilers Nos. 6060/1 built by Messrs. Edwin Danks & Co., Ltd., which were fitted into the Reinforced Concrete Tug "CRETEBLOCK", I have to inform you that an intimation has been received from the Admiralty that they do not appear to have received the test certificates for these boilers.

It appears from your report that the Certificates were numbered 428/9, and I shall be glad if you will let me know the date of the issue of these certificates and to whom they were sent.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

SHEFFIELD.

Secretary.
