

PING WO

Sng

6896

(The 2nd S.S. No. 1 became due 7.41.)

The SINGAPORE Surveyor reports (2.41)
the vessel placed in dry dock and the bottom coated.

The vessel has been requisitioned by
the Admiralty for Naval purposes and some structural alterations
carried out, including the cutting away of part of the centre
keelson in forward hold, for which compensation has been fitted.

Some additional stiffening was fitted
forward and below the decks.

The work carried out under Admiralty
control and supervision.

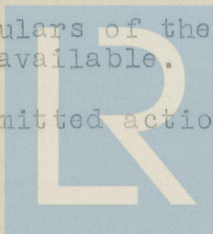

No particulars of the service in which
the vessel will be engaged are available.

It is submitted action be deferred.
