The Secretary
Sir

We are in receipt of your classing letter dated the 11th inst. with reference to my Report No 5892 - "Ben Breac", requesting me to state what part of the S.S. No 1 due in July next has been covered by the examination held by me here.

In reply beg to state that all of the requirements of the Rules for S.S. No 1, was carried out in the reconditioning Survey, dry docked, tanks, holds, bunkers and bilges all fore & aft cleaned, painted & cement washed.

And in my opinion eligible to remain as classed, & to have record of Survey, S.S. Vol No 1 - 10-19.

An extra fee should be charged the Owners if the Committee pass this Survey. I have only applied for the reconditioning Survey fee.

I am
Sir
Your obedient servant
