

"TINOS" - Under Survey Piraeus 26.3.48.
gen.ex. - Report not yet received.

Mr.Coles of Messrs.Price Forbes & Co. has telephoned stating that they have received a cable from the new Owners Representatives in Piraeus requesting clarification be obtained from the Society as to the status of this vessel from the classification aspect.

The position was explained as far as possible in the absence of the Piraeus report, but Mr.Coles desired a cablegram to be sent to Piraeus, at their expense, in order to ascertain the Surveyor recommendations and whether as a result of the survey a provisional class would be assigned as distinct from the present "Examined L.R." arrangement.
