ENCLOSURES:

24th May, 1921.

Dear Sirs,

A. I am to-day in receipt of your cheque for \$69:8:0 in settlement of the enclosed statement of account relating to various boilers which have been built at your Works under the special survey of the Society's Surveyors, and now have pleasure in handing you herewith an official receipt for the amount in question, together with test certificates for the boilers, with the exception of that for Boiler No. 1135B which does not appear to have been received from the Society's Surveyors at Ipswich who surveyed the boilers during construction, but I am communicating with them in regard to the matter and the same will be forwarded to you in due course.

I may add that the machinery certificates for the Drifters "MELODY" and "MORN" have been forwarded to the Registrars of Shipping at Leith and Aberdeen respectively, in view of the statement in your letter of the 18th instant that you had no objection to this course being adopted.

I am, Dear Sirs,
Messrs. A. Dodman & Co., Ltd., Yours faithfully,

KINGS LYNN.
