3 ENCLOSURES:

19th May, 1921.

Dear Sirs,

A. I am in receipt of your letter of the 18th instant respecting the fees for the survey of the machinery of the Steel Drifters "MELODY" and "MORN", and note that the work in connexion with the fitting on board of the same was carried out by Messrs. Pertwee & Beck of Lowestoft. I am accordingly writing them to-day, explaining the position, and am forwarding accounts for the proportion of the fees due from them for this work.

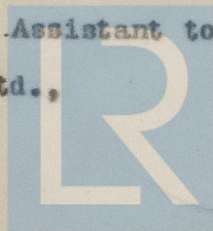

In view of the installation fee being payable by them, amended accounts for the amounts due from you for each vessel are enclosed herewith, together with a statement of the accounts now outstanding against your goodselves, and I shall be glad to be favoured with a remittance in settlement at your early convenience.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.
