Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

7th April, 1921.

Dear Sirs,

I beg to inform you that an application has been received from Messrs. The King's Lynn Shipbuilding Co. Ltd., for the classification certificates of the Admiralty steam drifters "MELODY" and "MORN" to be forwarded to the Registrar of Shipping at Aberdeen and Leith respectively.

As you are aware, in accordance with the usual practice, the classification certificates cannot be issued until all fees are paid, and in the case of these vessels the machinery fees, for which accounts were rendered to your good selves on the 19th February last and the 4th instant, are still outstanding.

In the ordinary course, on receipt of your remittance for the amount due, the certificate for the machinery would be forwarded to you, and in view of the request which has been received from Messrs. The King's Lynn Shipbuilding Co. Ltd., I shall be glad to hear when remitting the amount that you have no objection to the certificates being forwarded to the Registrar of Shipping at Leith and Aberdeen.

I am, Dear Sirs,
Yours faithfully,

Assistant to the Secretary.

Messrs. A. Dodman & Co. Ltd.,
Highgate Works,
KING'S LYNN.
