

## POSTPONED SURVEYS.

Case of the Steel S.S. "FRESONE"  
 No. 39055 in Reg. Bk. 739/405 tons, Built 1922-7  
 Classed 100A Owners J. Fresone,  
3.23 O.G. Port of Registry Buenos Aires  
Home 7.22  
 Survey due Screwshaft survey due 7.25.

In October last information was received at this Office to the effect that this vessel had been sold to Mr. Felix Fresone, of Buenos Aires, and in reply to enquiry the Buenos Aires Surveyors now write they have called upon the Owner on several occasions with regard to the above survey, and although they are advised that he wishes to retain the vessel's class, they have been unable to obtain any promise as to when he proposes to draw the shaft for inspection. They add that at the time of writing they are informed that Mr. Fresone is absent from Buenos Aires and that nothing definite can be decided until his return.
