4th August, 1922.

Dear Sirs,

A. I have to acknowledge the receipt of your letter of the 3rd instant, enclosing one from Messrs. C. H. Walker & Co., Ltd., the Builders of the Steamer "FRENSEHAM", from which I note that their cheque for £84:16:6 in payment of the survey fees etc. for this vessel has been received, and with regard thereto I have to confirm my telegram of to-day's date as follows:-

"Frensham wire whether fees for installing machinery  
"four pounds eleven shillings referred to my  
"letter twentyninth June, 1921, have been paid".

In view of the fact that the Classification Certificate is urgently required for Consular Purposes I may say that the hull certificate has been forwarded to Messrs. C. H. Walker & Co., Ltd., on the understanding that the proportion of the fees for the installation on board of the machinery, viz:-£4:11:0, which you were asked to collect in my letter of the 29th June, 1921, has been paid.

In accordance with the usual practice the certificate for the machinery has been forwarded to Messrs. Plenty & Son, Ltd., of Newbury.

I am, Dear Sirs,  
Yours faithfully,

Assistant to the Secretary.

The Surveyors,

NEWPORT, Mon.
