ENCLOSURE:

71, Fenchurch Street, E.C. 3.

29th June, 1921.

Dear Sirs,

I have to send herewith/for your information and guidance in completing the survey, the London first entry report No.84406 on the Engines No.2445 built by Messrs. Plenty & Son, Ltd., of Newbury, and intended for Messrs. C.H. Walker & Co's S.S.No.241, and shall be glad if you will give the case the necessary attention.

I have to add that an account for the fee for the survey during construction of the Engines at the Maker's works, has been rendered to Messrs. Plenty & Son, but as it is understood that the work in connexion with the installation on board will be carried out by Messrs. Walker & Co., the proportion of the fee for fitting on board, namely:-£4:11:0, will be chargeable to them, and you will therefore be good enough to include this amount on your account to Messrs. Walker & Co., when rendering same on completion of vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWPORT, Mon.

Secretary.
