.....

The Secretary,  
London.

Sir,

Confirming our telegram of today respecting the case of the steamer "LOUISE" -Sunderland first entry report No.21705-, we beg to acquaint you that the Builders were expecting the certificates this morning, and they asked us to wire to you requesting that the reports be placed before the General Committee tomorrow in order that the Owners can have the certificates without fail on Friday morning.

We are, Sir,

Your obedient Servants,  
pro the Surveyors,
