8<sup>th</sup> March

1904

The Secretary,  
London.

Sir,

With regard to the enquiry  
contained in your letter of yesterday's  
date, in connection with my first  
entry report (No 21705) on the above  
vessel. I have to state that cargo batten  
were fitted in the holds as mentioned  
in my report. The letter was re-  
ferred to on account of the ceiling being  
fitted at the bilges & in way of hatches  
only.

I am, Sir,

Your obedient servant

J S Shute
