Received from Chief Ship Surveyor

EL'S NAME S.S. "Louise"

Report S.S. No. 21705

the remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

re of Survey

First entry

It is submitted that before this can receive the consideration of the Committee the Sunderland Surveyors should be requested to state whether cargo battens have been fitted as required by the Rules, as they refer to the owners letter in their report, and in that letter the owner proposed to dispense with spar ceiling.
