3 ENCLOSURES.

25th September, 1947.

Dear Mr. Dobson,

The Classification Committee last Friday had before them the case of the Motorship "B.C. SURVEYOR" (ex "Leola Vivian" in connection with a letter received from the Vancouver Surveyors, a copy of which I enclose.

I also forward a copy of a letter I have sent to-day to Mr. Rennie, and would remark that the Chairman of Classification has asked me to let you know of the Committee's leniency in dealing with this ship in case you should ever have any occasion to deal with the Department of Lands and Forests, and feel the case worth quoting; although, of course, it is only a very small matter seeing that the ship is only 49 tons gross and will in any event be omitted from the next reprint of the Register Book.

Yours sincerely,

N. Dobson, Esq.,
MONTREAL.
