Dear Sirs,

I am in receipt of your memorandum of the 2nd ultimo regarding the motorship "LEOLA VIVIAN" and have carefully noted your remarks.

In reply I have to say that in the circumstances the Committee have agreed to the vessel's class remaining undisturbed in the Society's Register Book while she is employed on her present service and it is concluded that you will be advised immediately should any change take place in her employment.

I am, Dear Sirs,
Yours faithfully,

The Surveyors,
VANCOUVER.

pro Secretary.
