13th., July, 1906.

Gentlemen,

E. With reference to Mr. Sonne's reports on the Electric Lighting Installations fitted to the new Steamers "TRANQUEBAR" and "NIKOBAR", I have to request that he will be good enough to state whether these installations are supplied with a voltmeter and an amperemeter, this information having been omitted from the reports.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,

COPENHAGEN.
