2nd August, 1923.

Dear Sir,

I duly received your letter of the 17th ultimo enclosing one from Lloyd's Agents at Vera Cruz having regard to the case of the Auxiliary Sch. "SAN RAMON" and am obliged to you for your attention in the matter.

At the same time I have to say that in acknowledging Lloyd's Agents' letter of the 9th July it would be well for you to request them to state whether the oil engines were opened out and examined for Annual Survey when the vessel was under inspection last November, as no mention is made of this in their letter! In addition I shall be glad if you will kindly ask them to ascertain and state the size of the screw shaft.

I am, Dear Sir,  
Yours faithfully,

Assistant to the Secretary.

The Secretary,  
NEW YORK.
