Dear Sirs,

Reverting to your letter of the 5th September last addressed to the Society's Office at New York relative to the wood auxiliary schooner "SAN RAMON", I have to inform you that I am now in receipt of a report from Lloyd's Agents at Vera Cruz from which it appears that the markings on the shaft of this vessel are as follows :- No.136 Lloyd's No. 215 AB 5.17. A.W.LAWSON. In the circumstances I shall be glad if you will obtain and forward to me the particulars of the diameter of this Screw Shaft.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.
