CLOSURE.

15th March, 1923.

Dear Sirs,

I have to acknowledge the receipt of your letter of the 27th January last enclosing reports on the wooden auxiliary schooner "SAN RAMON". I shall however be obliged if you will kindly let me know whether the oil engines were opened out and examined in November last as required by the rules for the Annual Survey of Oil Engines. If not, perhaps you will be so good as to endeavour to arrange with the owners to have the survey held at an early date. For your information I enclose herewith an abstract from the Society's Rules giving details of the survey in question and shall be glad if you will let me know in due course what arrangements are made in the matter.

I am, Dear Sirs,  
Yours faithfully,

Assistant to the Secretary.

Messrs. Viya Hermanos Sucesores,  
Lloyd's Agents,  
VERA CRUZ.
