

Aun S. P. L. Ramon

No 2701.

Submitted that before dealing with this
see the attention of the New York Secretaries
called to the London Secretary's letter of 17/11/21
to the copy of a letter ^{from the group} dated 29/6/22 forwarded
London on 7/7/22 in which it is stated that
drafts of propellers were passed & stamped
by the San Francisco Surveyors & as no
particulars of the intermediate & second shifts
propellers
are given on the 1st entry report now
received he should obtain these from the
San Francisco surveyors in order that the
same may receive the consideration of the Committee

S.P.
9/8/22.
