

S.S. "WAR AFRIDI".

The hull of this Vessel has been built under the supervision of the Society's Surveyors at Port Glasgow for Classification with this Society.

The Engines and Boilers have been constructed and fitted on board under the supervision of The British Corporation's Surveyors at Greenock, and the Certificate issued by them is attached hereto.

As it is provided in the Committee's Circular Letter, dated 6th March, 1918, that in such cases the Society will issue the Machinery Certificate with the notation of LMC with date in red, it is submitted that the vessel is now eligible for the record of LMC 1.20.

Fitted for oil fuel 1.20. F.P. above 150°F.

3 Cy. 27", 44", 73" - 48"

180 lb. NHP 517

3 SB. 9 cf. GS 190. HS. 7668. F.D.
