

The British Corporation for the
Survey and Registry of Shipping.
Port of GLASGOW.

3rd February, 1920

THIS IS TO CERTIFY that the Engines and
Boilers No.380 made by Messrs Rankin & Blackmore,
Ltd., Greenock, have been surveyed by the Surveyors
to this Society during construction and installation
on board the S.S. "WAR AFRIDI" built by Messrs Robert
Duncan & Co.Ltd., Port Glasgow, and that the materials
and workmanship are good and in accordance with the
requirements of the British Corporation Registry.

The whole of the work covered by the Specifica-
tion has been satisfactorily completed and the machinery
successfully tested under steam.
