steamer "TOYOOKA MARU".

-----

The classing Committee had this case before them on Tuesday, 24th December, when they decided to give instructions for the vessel's class to be withdrawn from the Register Book and Three Dots (. . .) inserted in lieu thereof. 12.40.

This decision was later confirmed by the

Chairmen.

Book must of necessity be commenced many months before the date of issue, but it is felt that any Register published under the conditions prevailing must consequently be very incomplete. For this reason the decision referred to above has with regret been taken, but I need hardly say that it is hoped to resume the annual issue of the Book as soon as world conditions are more normal.

I am, Dear Sir,

Yours faithfully,
