Dear Sir,

Replying to your letter of the 19th ultime regarding steamers "BACCARAT" and "SENECA", I have to state that these vessels are reported as being still laid up.

I may say that this condition also applies to the other vessels owned by the Independent S.S. Co., except steamers "ROMAGNE" and "JUVIGNY", and that it has been agreed by the Owners to submit their vessels for the necessary surveys before being put into commission.

I am, Dear Sir,

Yours faithfully,

(Signed) G. Drummond.

The Secretary,

LONDON.
