ANS'D 19

Dear Sir:-

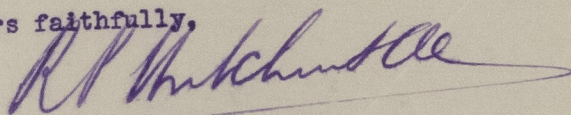

I am submitting herewith amended verification freeboard reports on the steamers "CANADIAN SETTLER" and "CANADIAN RANCHER", the Tidewater Shipbuilding Co.'s Hulls Nos. 5 and 6.

These reports are being submitted on account of changes which have been made in the measurements and particulars as submitted on the previous reports.

The Montreal Surveyors have been advised particulars of the freeboards as now recommended for the approval of the Committee, and arrangements are being made to have the markings altered to correspond with the revised freeboards. They have also been instructed that when this is done a provisional freeboard certificate may be issued by them in each case.

I am, Dear Sir,

Yours faithfully,

Secretary to the
American Committee.

The Secretary,

London.
