Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3

13th May, 1935.

Dear Sirs,

I am in receipt of Mr. Parker's letter of the 15th instant respecting the error on the classification certificate of the M.V. "NARUTO MARU" in respect of the Official number entered thereon. I note this should be 39738, instead of 39378, and that you have made the necessary correction on the certificate, which in the circumstances will be in order.

I would point out that the Official number as entered on the certificate in this Office was as given on your First Entry Report, but a note of the alteration has now been made on the copy of the certificate in this Office, and the Official number corrected in the Register Book.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
YOKOHAMA.
