71, Fenchurch Street, E.C. 3.

17th April, 1935.

Dear Sirs,

With reference to the entry in the forthcoming edition of the Register Book of particulars of the new motor vessel "NARUTO MARU" (Yokohama report No. 5415), I have to acquaint you that the records of classification cannot be posted until advice is received at this office of payment of the fees. The section of the Register Book containing this vessel's name will go to press on the 31st proximo, and I shall be glad if you will take the matter up with the Builders with a view to obtaining payment without further delay. On receiving payment you should advise this office of the fact by cablegram, so that full particulars of the vessel's classification can appear in the forthcoming edition of the Register Book if possible.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
YOKOHAMA.
