"RYOYO MARU"
Kobe Report No.7207.

Dear Sir,

In answer to your classing letter of the 17th April 1931, I have to state with much regret that the Yard Number of this vessel is not 563 as reported but 562.

With regard to the dates those given on the Report are correct, one visit having been paid to the vessel on the 20th January after completing the writing of the Report on the 19th January. This visit was paid in order to verify that a small alteration had been carried out, and it was thought that there was no reason to delay completing the Report on this account.

I am, Dear Sir,

Yours faithfully,

W. J. Ordman
