ENCLOSURES

11th August, 1930.

Dear Sir,

I have to acquaint you that proposals to close part of the forward and after wells of the steamer "SAINT ELOI" by linking up the winch platform erections to the existing bridge, and to reduce the widths of Nos. 2 and 4 hatches on the upper deck and trunk the same to the extended bridge deck, have been received from the Dunkirk Surveyor and from Mr. G. Monfort of the Chantiers de la Gironde.

It is understood that the vessel is proceeding to your Port, and for your information I enclose copies of letters which have been addressed to these gentlemen in connexion with the matter.

I am, Dear Sir,

Yours faithfully,

Secretary.

J. Milet, Esq.,

BORDEAUX.
