11th August, 1930.

Dear Sir,

With reference to your call at this Office regarding proposals to close part of the forward and after wells of the Steamer "SAINT BLOI" by linking up the winch platform erections to the existing bridge, and to reduce the widths of Nos. 2 & 4 hatches on the upper deck and trunk the same to the extended bridge deck, I have pleasure in stating that provided the arrangements be carried out as shown and amended on the plan handed in by you, and to the satisfaction of the Society's Surveyors, the same will be approved.

One copy of the plan in question has been handed to you to-day, and the duplicate is being retained for reference.

I am, Dear Sir,

Yours faithfully,

Secretary.
