VESSEL'S NAME 'LOCH BUIE' REPORT Lon. No. 117691A

For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—(Extract from Sub-Committee's Report, 24 / 5 / 92.)

Nature of Survey..... ~~When due~~.....

A PERIODICAL SPECIAL SURVEY (C) became due 2.50, but the Owners' proposal to defer same until July or August was approved, provided the ABERDEEN Surveyors were satisfied with the general condition of the vessel.

The Surveyors consider the vessel satisfactory for the proposed deferment of Special Survey. (Letter 30-5-50)

A letter has now been forwarded by the ABERDEEN Surveyors from the Owners in which they regret that for reasons of economy the vessel is to be withdrawn from class.

THIS IS SUBMITTED for the consideration of the Committee.
