

S.S. "JAMES LAVENNY".

Isaac Artham

This vessel was built under the special survey of this Society at Beverley.

The Engines and Boiler were made and installed on board under the supervision of the British Corporation and the certificate issued by them is attached hereto.

As it is provided in the Committee's circular letter, dated 16th March, 1918, that in such cases this Society will issue the machinery certificate with the notation of LMC with date in red, it is submitted that this vessel is eligible for the record of LMC 11.19.
