

Steam Trawler "YPAPANDI" (ex "Hascosay").

This vessel was built under Special Survey in 1944 for the Admiralty and classed "100 A- Steam Trawler, For Government Service" in the "Ghost Book".

The vessel has recently been sold to Greek Owners, and in reply to enquiry the Piraeus Surveyors state they have discussed the question of classification with the Owners and they state it is not their intention to continue the vessel's classification with the Society.

IT IS SUBMITTED the class of this vessel be deleted from the "Ghost Book" and her particulars transferred to the Register Book as a disclassed ship.
