This vessel became due for Annual Boiler Survey at the end of last month, but the Kobe Surveyors now cable that the Owners do not wish to maintain the classification of the steamer in the Society's Register Book and that she is being transferred to the classification of the Teikoku Kaiji Kyokai.

In the circumstances the Classing Committee, who had the case before them on Tuesday, 7th instant, decided to give instructions for the vessel's character to be withdrawn from the Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request.
