Lloyd's Register of Shipping.

Port OF HULL.

21st February, 1939.

This is to Certify that

R. S. PIDDINGTON

the undersigned Surveyor to this Society did at the request of the Registro Italiano Navale examine the S.S. "CASTELBIANCO", of Genoa (ex "PEARLSTONE" of London) 4895 tons gross, for the purpose of a Periodical Survey in accordance with Art. 14 of the International Convention, 1930, respecting Load Lines, and the Survey was completed to my satisfaction.

The following freeboards are marked on the ship's sides:-

Freeboard amidships		From centre of disc,
from top of steel upper deck line.		
Tropical Fresh Water	1441 mm.	318 mm. above.
Fresh Water	1581 mm.	178 mm. above.
Tropical	1619 mm.	140 mm. above.
Summer	1759 mm.	-----
Winter	1886 mm.	127 mm. below.

This provisional Certificate is issued pending the receipt of the official certificate from the Registro Italiano Navale and is valid until the vessel's first arrival in Italy.

R. S. Piddington

SURVEYOR TO LLOYD'S REGISTER OF SHIPPING.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:-

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
