Dear Sir,

s.s. "PEARLSTONE".

Further to your letter of the 2nd instant the above vessel is completing discharge of her cargo in Hull, at the end of December.

We would be much obliged if you will kindly instruct your Engineer and Hull Surveyors to attend on that boat, as we are going to hold a survey of the damages that have been incurred during the last voyage, and also work out a specification for the Annual Load Line Survey.

Yours faithfully,

The Secretary,

LONDON.
