ENCLOSURES.

11th January, 1933.

Dear Sirs,

F. I have to acknowledge the receipt of your letter of the 10th instant enclosing verification of marking form in respect of the steamer "ZAPALA" and note that no alteration has taken place as regards the closing appliances.

In the circumstances I enclose herewith a fresh Convention Freeboard Certificate and certified copy for this ship and shall be glad if you will collect and return to this Office for cancellation the certificates previously issued.

It is concluded that the figure given on your marking form for the tropical fresh water freeboard, viz:- 4' - 8 $\frac{1}{4}$ " is a clerical error, and should be 4' - 8 $\frac{3}{4}$ " as stated in the assignment letter, but I shall be glad if you will confirm this.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

NEWPORT, MON.

pro Secretary.
