Dear Sir,

Tug "ANTIC"

H & F

I beg to remind you that this vessel's Load Line Certificate will expire on the 7th June next, and I shall be obliged if you will kindly let me know what arrangements are proposed to be made for the requisite Survey to be held for the renewal of this Certificate.

At the same time, I have to point out that for class maintenance a Special Survey or General Examination will require to be held by the expiration of the validity of the present "Examined" notation at the end of August next.

Yours faithfully,

Clerk to the  
Classification Committee.
