Sir,

In reply to your letters of the 14th and 25th inst regarding the equipment of meat lighter No.790 now building by Messrs Cammell Laird & Co.Ld. for the River Plate Trade the Builders and Owners representative have been communicated with, as requested. The latter considers in view of the service intended that a similar equipment to that approved for their Lighter No.785 now building to class 100A.1. should be supplied thus increasing the number of bower anchors to three.

The midship section and profile plan of No.785 are enclosed for your information.

I am, Sir.

Your obedient Servant.

A. Scott Esq.

LONDON.E.C.

Referred to the Chief Ship Surgeon.
