

Messrs. Cammell Laird & Co's Lighter No. 790.

---

This vessel is being built with a view to class A1,  
"For River purposes only".

A letter has been received from the Liverpool  
Surveyors forwarding one from the Builders giving particulars  
of the equipment proposed for this vessel.

It is submitted the Surveyors should be requested  
to communicate with the Builders and ascertain whether the  
equipment as set forth in their letter is as specified by the  
Owners, and whether it has been found suitable for the intended  
service of the vessel.
