

BOARD REPORT on the ABEILLE NO. 10

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, subject to:

- (1) the flush bunker scuttles being provided with permanent chain attachments unless these scuttles are secured by hinges.
- (2) the survey for reclassification being completed.

IT IS FURTHER SUBMITTED the assignment letters be issued to the Owners and the Rouen Surveyor,

The Surveyor should be advised that he should examine the vessel and satisfy himself that no change has taken place in any of the particulars affecting the assignment.

He should see that the condition of assignment is complied with and forward particulars on form C12(a) in order that Load Line Certificates may be issued.
