17th November, 1909.

Gentlemen,

With reference to your freeboard report No.57614 on the S.S. "ABEILLE NO.10", I enclose herewith the usual letter giving particulars of the freeboards which have been assigned to this vessel, together with a memorandum for handing over to the Builders.

With regard to this case I have to inform you that as this is a French vessel you should have used the report form 11 (French) as required by Circular No.1171, and in future cases you should see that this is done.

I have to request that you will be so good as to obtain and forward the application form in French signed by the Owners or Builders.

I have to add that the marking of the freeboards must be in accordance with the diagrams which have been sent to you for your information, and the verification reported on the form provided for French vessels.

I am, Gentlemen,

Your obedient Servant,

The Surveyors,  
NEWCASTLE.
