17th September, 1925.

Dear Sirs,

I duly received your letter of the 27th July, respecting your steamers "BREEZE", "CALM" and "STORM", and having submitted the same for the consideration of the Committee at their Meeting to-day, I am directed to acquaint you that in view of your intimation instructions have been given for the character of the "BREEZE", which vessel became due for survey of the screw shaft in June last, to be withdrawn from the Society's Register Book and three dots (...) inserted in lieu thereof, indicating withdrawal of class at Owners' request, and a similar course will be followed as regards the steamers "CALM" and "STORM" as they become due for one of the surveys required under the Society's Rules.

I am, Dear Sirs,

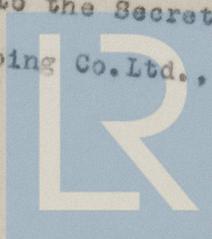

Yours faithfully,

Assistant to the Secretary.
