Survey Due Special Survey due 8.48 on expiration of validity of notation of "Examined 5.47". Last Special Survey held 1936. Boiler Survey due 5.48.

In reply to repeated enquiry the Principal Surveyor at New York states he has been informed by Lloyd's Agents at Tampico they have again been in communication with the Owners who state they expect the vessel to be drydocked at a Pacific Coast port in the very near future, but are unable to indicate exactly when. The Principal Surveyor adds that he is writing to the Surveyors on the Pacific Coast with a view to developing the matter.
