Dear Sir:

RECEIVED  
10 SEP 1947  
K. Bennett

Tanker PANUCO

I duly received your letter of the 30th ultimo regarding the survey held on the above named vessel in April/May 1947 by a Surveyor appointed by Lloyd's Agent at Tampico, the contents of which have been noted.

Lloyd's Agent reports "my Surveyor states that each cable has 720' - the word "each" having been omitted accidentally from the report".

Yours faithfully,

*K. Bennett*

Principal Surveyor, U.S.A.
